Fax: 094-9541818

Mellott Windows are Leading Manufacturers of highest quality Timber Sliding Sash Windows, Period and Bespoke Joinery to Private Customers, Public Authorities, Trade Customers and Architects. We Manufacture, Finish and Fit to your exacting requirements or will Repair and Restore your existing windows once we carry out a free survey to determine suitability. Our Joinery Workshop and Showroom are in Ballinrobe, Co Mayo. We offer our 'Historic' range of Reproduction Sash Windows for Listed Buildings as well as Custom-Designed, Discreet Double-Glazed, Sustainable Wood and Spray-Painted Factory-Finish on our range of Sash and Casement Windows, Entrance, French and Bi-Fold Doors. We provide Sales and Support Nationwide with a Supply and Delivery Service to Northern Ireland and the UK. Our determination to develop the most Energy-Efficient Timber Sash Window in the industry has resulted in our latest new product the Mellotts 'A' Rated Hardwood Timber Sliding Sash Window certified by the BFRC the body responsible for window energy rating in the UK. We have grown from a small family-owned business but our ethos and commitment to providing the same high standards of products and service remains the same.
