

DDV Plumbing & Heating

8 Avondale Road, Killiney, Co Dublin.

Phone: 01-2852500 / 087-2476665

Fax: 01-2852500

DDV Plumbing and Heating Ltd are a family run plumbers with over 30 years experience in the plumbing & heating business serving the South Dublin. We provide a complete plumbing service to meet all your requirements. We install, maintain and repair the water supply, and central heating in both the domestic and commercial markets. We install central heating systems and their controls and pipe-work for industry. We also install upgrading of boilers, heating systems and solar panels which qualifies for SEI grant systems. Our maintenance and repair work include routine servicing and emergency repairs, involving finding faults, replacing or repairing damaged parts, carrying out tests and ensuring that the system works properly. We are fully insured and our experience in the field positions us well to carry out the majority of plumbing work. We are flexible in the service we offer and customise our work to the needs of our client. For a full breakdown of the services we offer and to see how we can help you, call us now on 012852500. RGI Registered Plumbers and SEAI Registered and APHCI Registered in Ireland.
