YOUR EXPERTS IN DUST FREE FLOOR PREPARATION, SHOT BLASTING & DIAMOND GRINDING
Wogans Shot Blasting leaders in Dust-free Floor Prep, Shot Blasting & Diamond Grinding and Hot Steam Power Washing . If you have an industrial concrete floor in need of cleaning or preparing, we are here to help. From car parks to warehouse floors and factories, we provide a fast, competitive and nationwide service with customer satisfaction at the center of all we do. At Wogans, we use the latest technology, we carry our power supply and lighting systems. We use the latest in compact, dust-free and low noise captive shot blasting technology for preparing and cleaning concrete floors. We will blast off dirt, coatings and lines leaving your concrete floor clean and ready for any new surface coatings. No floor is too big or too small - indoor or outdoor.
