Tennants Building Products is Ireland's largest independent distributor of dry lining, suspended ceilings, insulation and partition systems. With strategically located depots in Belfast, Dublin and Cork, we can provide a speedy supply service across the island of Ireland. In addition, we have Walls & Ceilings International Ltd., with depots in Alcester and Bristol providing quality drywall, insulation and plasterboard products to the GB market. Whether you are a designer or an installer we want to work with your business to help you achieve your vision and goals. Since starting our building division over 30 years ago we have grown alongside some of today's biggest industry brands to become Ireland's largest distributor of specialist interior fit out solutions. Tennants remains Ireland's only fully ISO accredited distributor in our field and we pride ourselves on our professional, no-compromise approach to all aspects of our business. Our quality, environmental and health & safety management systems are fundamental to our successful brand and corporate image. As an independent entity within the privately owned group, Tennants consolidated, we enjoy great flexibility. We are fully aware of the pressures and timelines that our customers work to on a daily basis in today's competitive and demanding market, and it is this flexibility that allows us to cater for these challenges. With an all-Ireland and GB presence we are looking forward to continually developing our product range to suit the needs of our expanding nationwide customer base. Our experienced and fully trained staff are always happy to assist with any request, large or small, and to ensure that your experience with Tennants is one that will have you returning time and time again. We enjoy getting

to know our customers and we very much hope that you too will enjoy getting to know us. Our company motto is simple, "Excellence in Building Products", however, that's just the foundation. We strive for excellence throughout every aspect of our business and demand excellence from every manufacturer that we represent, meaning that only brands of the highest quality and with the best service will be on offer. We want to inspire confidence to help you achieve excellence in the pursuit of your own business objectives.
